

Installation of Voluntary Residential Lock Box Liability Release

In consideration of my participation in purchasing a residential lock box, the undersigned, to the fullest extent permitted by law, hereby agrees for the undersigned and the undersigned's heirs and representatives, to indemnify and hold harmless the City of Avondale and its respective employees, officers, and attorneys for, from and against any and all claims, suits, judgments, losses, damages, personal injuries (including but not limited to death), or liability (including reasonable attorney's fees), directly or indirectly arising from or in connection with the undersigned's participation in the purchasing a residential lock box. The undersigned acknowledges and agrees that the undersigned's participation in the purchasing a residential lock box is voluntary. The undersigned also understands and agrees that purchasing a residential lock box is not intended in any way whatsoever to create or impose a special duty on Avondale Fire-Rescue or the City of Avondale and their respective employees, officers, and attorneys regarding the undersigned's safety or well-being.

CONDITIONS:

Upon purchasing a residential lock box, the undersigned has voluntarily agreed to assume full responsibility for providing the correct key at all times. Once the lock box is installed, fire personnel can only use the lock box to gain access to the undersigned's home after being summoned to the home for emergency purposes. In the event of a time sensitive situation (e.g. medical emergency, fire, home invasion, etc.) or malfunction of the lock box, fire personnel may not be able to, nor have the time to, use the lock box. In those situations, the undersigned agrees that emergency personnel shall have the right to exercise their discretion and gain entry to the undersigned's home by the fastest means possible. However, emergency personnel will use their best efforts to utilize the lock box when the time and the circumstances permit.

The undersigned understands that purchasing a residential lock box is not a "lock out service" for me, my family or my friends. Only emergency personnel and actual participants will be granted access.
